MINISTRY OF COMMERCE

NOTIFICATIONS

New Delhi, the 27th September 1968

S.O. 3492.—In exercise of the powers conferred by section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), and after previous publication as required by sub-rule (2) of rule 11 of the Export (Quality Control and Inspection) Rules, 1964 and in supersession of the notification of the Government of India in the Ministry of Commerce No. S.O. 835, dated 10th March, 1967, the Central Government hereby—

- (1) notifies that electric cables and conductors shall be subject to quality control and inspection prior to export;
- (2) specifies the type of inspection in accordance with the Export of Electric Cables and Conductors (Inspection) Rules, 1968, as the type of inspection which will be applied to such electric cables and conductors;
- (3) recognises.—
 - (a) the Indian Standard Specifications issued by the Indian Standards Institution mentioned in the Annexure to this notification as the standard specifications for the electric cables and conductors;
 - (b) the specifications which shall be a national standard including such specifications as have been issued or laid down by the Post and Telegraphs Department and/or Government or Public Undertakings of a foreign country, declared by the exporter as the agreed specifications for electric cables and conductors; and
 - (c) the specifications which do not fall under Clause (a) or (b) above but are approved by a panel of experts, appointed by the Export Inspection Council for the purpose of examining and approving such standards declared by the exporter as the agreed specifications for

electric cables and conductors as the standard specifications for electric cables and conductors;

- (4) prohibits the export, in the course of international trade, of any such electric cables and conductors, unless the same are either accompanied by a certificate issued by any of the Inspection Agencies recognised by the Central Government under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), to the effect that electric cables and conductors are export-worthy or bear a mark or seal recognised by the Central Government under section 8 of the said Act.

2. In this notification "electric cables and conductors" shall mean any metallic conductor, insulated or otherwise, used for carrying electric current and does not include scraps of cables and conductors, that is to say, cables and conductors not more than three metres in length.

3. Nothing in this notification shall apply to the export of samples of electric cables and conductors to prospective buyers, the f.o.b. value of which does not exceed one hundred and twenty five rupees only.

4. This notification shall come into force from 21st October, 1968.

ANNEXURE

Sl. No. (1)	Commodity (2)	Relevant specification issued by Indian Standards Institution. (3)
1	Galvanised iron and Steel wire for telegraph and telephone purposes	IS : 279—1961.
2	Hard-drawn copper conductors for overhead power—transmission	IS : 282—1963.
3	Hard-drawn stranded aluminium and steel-cored aluminium conductors for overhead power transmission purposes	IS : 398—1961.
4	Rubber-insulated cables, Part I with copper conductors	IS : 434 (Part I)—1964.
5	Rubber-insulated cables, Part II with aluminium conductors.	IS : 434 (Part II)—1964.
6	Enamelled high-conductivity annealed round copper wire oleo-resinous enamel.	IS : 449—1962.
7	Cotton-covered round copper conductors	IS : 450—1964.
8	Rubber-insulated flexible trailing cables for use in coal mines	IS : 691—1966.
9	Paper insulated lead-sheathed cables for electricity supply	IS : 692—1965.
10	Varnished cambric insulated cables	IS : 693 —1965
11	PVC insulated cables (for voltages up to 100 V.), Part I with copper conductors.	IS : 694 (Part I)—1964.
12	PVC insulated cables (for voltages upto 100 V.), Part II with aluminium conductors.	IS : 694 (Part II)—1964.
13	Flexible trailing cables for use in quarries and metalliferous mines.	IS : 1026—1966.
14	PVC insulated (heavy duty) electric cables : Part I for working voltage s upto and including 100 volts.	IS : 1554 (Part I)—1964.
15	Enamelled round copper wire with high mechanical properties.	IS : 1595—1967.
16	Polythene insulated and PVC-sheathed cables.	IS : 1596—1962.
17	Paper-covered rectangular copper conductors for transformer windings.	IS : 1966—1962.
18	Aluminium conductors for insulated cables.	IS : 1733—1967.
19	Cotton covered rectangular copper conductors.	IS : 2068—1962.

(1)	(2)	(3)
20	Cables for vehicles.	IS : 2465—1963.
21	Hard drawn copper wire for telegraph and telephone purposes	IS : 2532—1965.
22	Flexible cables for miners' caplamps	IS : 2593—1964.
23	Enamelled round copper wire for elevated temperatures	IS : 2659—1964.
24	Cadmium copper wire for telegraph and telephone purposes	IS : 2665—1964.
25	Copper conductors in insulated cables and cords	IS : 2982—1965.
26	Thermoplastic insulated weather-proof cables : Part I PVC insulated and PVC sheathed	IS : 3035 (Part I)—1965.
27	Thermoplastic insulated weather-proof cables : Part II Polythene insulated, taped, braided and compounded	IS : 3035 (Part II)—1965.
28	Cadmium copper conductors for overhead railway traction	IS : 3402—1965.
29	Paper-covered round copper conductors.	IS : 3454—1966.
30	Rectangular and square enamelled copper conductors.	IS : 3855—1966.

NOTE.—If in respect of any commodity specified in column (2) there is any later version to the relevant specifications issued by the Indian Standards Institution, the specification applicable to such commodity shall be the latest of such versions and not the specification mentioned in col. (3). As and when any specification is withdrawn by the Indian Standards Institution the same shall be deemed to have been omitted from the above Annexure.

[No. 60(38) Exp-Insp./67.]

S.O. 3493.—In exercise of the powers conferred by section 17 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), and in supersession of the notification of the Government of India in the Ministry of Commerce No. S.O. 836, dated the 10th March, 1967, the Central Government hereby makes the following rules namely :—

1. **Short title and commencement.**—(1) These rules may be called the Export of Electric Cables and Conductors (Inspection) Rules, 1968.

(2) They shall come into force on 21st October, 1968.

2. **Definition.**—In these rules, "electric cables and conductors" shall mean any metallic conductor, insulated or otherwise, used for carrying electric current and does not include scraps of cables and conductors, that is to say, cables and conductors not more than three metres in length.

3. **Basis of Inspection.**—Inspection of electric cables and conductors shall be carried out with a view to seeing that the same conforms to the specifications recognised by the Central Government under section 6 of the Export (Quality Control and Inspection) Act, 1963 (hereinafter referred to as the standard specification).

4. **Procedure of Inspection.**—(1) An exporter intending to export electric cables and conductors shall give intimation in writing of his intention so to do and submit along with such intimation the declaration as to the agreed specification of the export contract, to any one of the Inspection Agencies recognised under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), hereinafter referred to as the Agency, to enable it to carry out the inspection in accordance with rule 3 and shall simultaneously forward a copy of the intimation for inspection to the nearest office of the Export Inspection Council either at 'World Trade Centre' 14/1-B, Ezra Street, Calcutta-1 or at 'Mani Mahal', 11/21, Mathew Road, Bombay-4.

(2) Every intimation and declaration under sub-rule (1) shall be given not less than ten days before the expected date of shipment. The consignment of electric cables and conductors shall be kept ready for inspection without being packed wherever agreed to by the exporter and the Agency.

(3) On receipt of the intimation and declaration under sub-rule (2), the Agency shall carry out the inspection of electric cables and conductors in accordance with rule 3 and the instructions in this behalf issued by the Export Inspection Council from time to time.

(4) (i) If on inspection, the Agency is of opinion that the electric cables and conductors do not comply with the requirements of rule 3 and the instructions issued in this behalf by the Export Inspection Council, it shall intimate the exporter accordingly and may give an option to the exporter to again present the same for inspection, after making good the deficiencies or defects, within a period not exceeding thirty days from the date of such intimation and shall simultaneously forward a copy of such intimation to the nearest office of the Export Inspection Council.

(ii) The exporter may present the electric cables and conductors for re-inspection to the Agency after giving advance intimation of not less than seven days before the expected date of shipment. The exporter shall also forward copies of such intimation for re-inspection to the nearest office of the Export Inspection Council.

(5) After satisfying itself that the electric cables and conductors conform to the requirements of rule 3, the Agency shall issue a certificate declaring the consignment as export-worthy.

5. Procedure for affixation of recognised mark.—The provisions of the Indian Standards Institution (Certification Marks) Act, 1952 (36 of 1952), the Indian Standards Institution (Certification Marks) Rules, 1953 and the Indian Standards Institution (Certification Marks) Regulations, 1955, shall, so far as may be, apply to the procedure of affixing recognised marks on electric cables and conductors.

6. Place of inspection.—Inspection of electric cables and conductors for the purposes of these rules shall be carried out either—

(a) at the premises of the manufacturer, or

(b) at the premises at which the goods are offered by the exporter, provided adequate facilities for the purpose exist therein.

7. Inspection fee.—A fee at the rate of twenty paise for every one hundred rupees of the f.o.b. value of each such consignment shall be paid as inspection fee for inspection of electric cables and conductors under rule 4. No separate inspection fee, however, will be required to be paid for such products as are already affixed with the recognised mark or seal in accordance with rule 5.

8. Appeal.—(1) Any person aggrieved by the refusal of the Agency to issue a certificate under sub-rule (5) of rule 4, may, within ten days of the receipt of the communication of such refusal by him, prefer an appeal to a panel of experts consisting of not less than three persons, as may be constituted for the purpose by the Central Government.

(2) The decision of the panel on such appeal shall be final.
